Supplementary Product Disclosure Statement

15 July 2026

CONSUMER WARNING

Timeshares are not appropriate for everyone. You should take time to consider whether buying this timeshare is right for you before you sign the application form.

It is important to understand:

1. Timeshares are generally very long term. The term of this timeshare is 10 October 2080. You will generally be required to pay **ongoing costs** for as long as you own the timeshare, regardless of whether or not you use the timeshare. This includes any costs of financing the purchase.
2. You are **not guaranteed** the type of accommodation or location you want at the time you want.
3. After the cooling-off period has ended, and you have not withdrawn your application under any 'subject to finance' rights, **it may be difficult to get out of this timeshare** and there is **no guarantee** that you will be able to sell it to another person or get any money back.
4. Timeshares are **not an investment** and you should not expect any financial return from a timeshare. You are buying an interest in a managed investment scheme for recreational use.

Note: In the consumer warning, a 'timeshare' is an interest in a time-sharing scheme.

BENEFITS AND FEATURES

Section 4 on page 16 of the PDS is amended to include the below new section:

4.4 CLUB CONNECT (DEVELOPER BENEFIT)

We have entered into an exchange agreement (Exchange Agreement) with the operators of Accor Vacation Club Asia and Accor Vacation Club Asia Pacific. The Exchange Agreement provides access by eligible members of the Developer's Lifestyle Program to properties owned by these other clubs by exchanging their Premiere Points for the right to stay in those properties. Members of Accor Vacation Club Asia and Accor Vacation Club Asia Pacific also have the opportunity to exchange their points in those clubs for the right to stay in our Club Apartments.

This benefit is currently available through the Developer's Lifestyle program to Traveller Members and above only. To ensure that your ability to reserve Club Resorts is not impacted as a result of the Exchange Agreement, all parties will make every effort to allow a neutral exchange balance. If an imbalance occurs due to reservations by one of the participating clubs, the affected clubs can choose to impose a suspension on the programme until the imbalance is remedied. The number of bookings members of the other clubs are able to make in your Club will be dependent on the number of bookings made by your Club Members in the other clubs.

Bookings for reservations in the participating Clubs can only be made 8 months prior to the requested date of arrival and are subject to availability. This provides Members an advance booking window to the members of the other clubs. When exchanging with Club Connect, you must abide by the rules and guidelines of the club with which you have booked. You may also be liable for additional occupancy taxes, fees or charges as imposed by local governments but any such fees will be advised at the time of booking.

Section 9.10 on page 35 of the PDS is replaced with the following:

9.10. MEMBERS INTERESTS
