

MANTRA ON JOLIMONT'S ALTERNATIVE CAR PARKING SUGGESTIONS

Parking at Mantra on Jolimont is unfortunately subject to availability and very limited so please call ahead to check availability for your upcoming stay. If we are unable to have you park here on site please see the following options for car parking in the area.

Option 1: Street parking – Located on Wellington Parade South, East Melbourne

Option 2: Wilson Parking – Located at Park Hyatt on St. Andrews Place, East Melbourne

Option 3: Wilson Parking – Located at 11 Exhibition Street, Melbourne

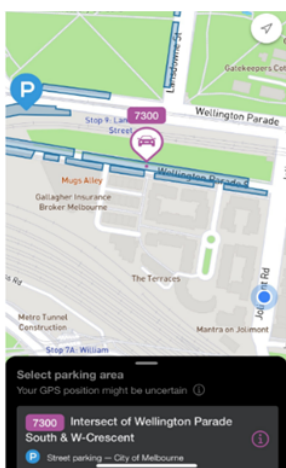

Option 4: Secure Parking – Located at 12-20 Flinders Lane, Melbourne

Option 5: First Parking – Located at 28 Flinders Lane, Melbourne

OPTION 1: STREET PARKING – LOCATED ON WELLINGTON PARADE SOUTH, EAST MELB

Along this street includes meters for 1, 2, and 4 hour parking as well as all day parking. This parking runs from 7:00am-10:00pm Monday to Sundays. Please ensure you read the parking signs that apply to the area you park your vehicle in.

We recommend parking at location 7031 as per the map below. There are meter stations available along the street that you can use to validate your street parking or alternatively there is a 'Easy Park' mobile app that you can use to run the meter from your phone.

Instructions on how to use the Easy Park app:

1. Download the app (Google Play or App Store)
2. Register an account and add your phone number, license plate and payment method.
3. Choose or search for your parking area. You can locate your parking area by finding the closest pink sign near you or let the app use your location to pinpoint the parking area. (Tip: if you are topping up the metre for next day keep note of your area code)

4. Then spin the dial until the time you need. You are now all set! Please note that parking at 1, 2 or 4 hour locations will cause the meter to automatically end after the allocated time period so you will need to start it again if the time ends before 10:00pm

The meter will start again following morning at 7:00am. To restart your ticket you can either head down and re purchase a ticket till you are planning on moving the car or if you are a late sleeper you can top it up at 12am on the morning of. The app will allow you to pre-pay for your parking as long as it is for the current day.

OPTION 2 & 3: WILSON PARKING
LOCATED AT PARK HYATT ON ST. ANDREWS PLACE
OR AT 11 EXHIBITION STREET, MELB

Both Wilson Parking locations are just a short 10-15 minute walk from Mantra on Jolimont and can be pre-booked in advance online through the Wilson Car park website

1. Google Wilson parking
